GRAZIA

Midi del w. D. 1970
Sen. Z. Piccini w. 11

1. Sembrano uscire dalle pagine di un libro di favole questi modelli che Krizia ha creato per le più giovani. Sono realizzati in mussola trasparente e bordati da fettucce di seta. I motivi di foglie sulle calze, gli orecchini e l'anzillo contribuiscono a creare lo stile « abitatrice-dei-boschi ».

2. Questo modello ha un taglio a carré nel corpino, e un doppio volant che forma i polsi, lo jabot scende lungo l'abbottonatura. Scarpe del Calzaturificio di Varese per Krizia.
